Leif,

Per your request, I'm letting you know that the deadline for comments from you, Jeaneanne, and Mindy on the attached responsiveness summary is tomorrow, Dec 7th. I've also attached a schedule that Tom put together for the various pieces that remain.

Jeaneanne gave the consulting parties until noon tomorrow to have their comments in on the draft PA. Michael and I will have a revised draft ready for review by COB tomorrow. Per his schedule, Tom has the revised PA going to Dave Ross and David Fotouhi by Wednesday, Dec 9<sup>th</sup>, with a final version for signature going to the signatory parties on Thursday, Dec 10<sup>th</sup>, and a request for all signatures by Monday, Dec 14<sup>th</sup>. The PA will be signed by Mary on December 15<sup>th</sup>. There's no time built in to run it by the ACHP or other consulting parties one more time which may ultimately be what we decide strategy-wise but I just wanted to point that out. I think the schedule w/r/t the PA is very much up in the air until we hear from the Davids.

Thanks,

Matt

**Subject:** Draft Responsiveness Summary

Jeaneanne – The linked attachment is the current draft of the Responsiveness Summary. It contains summaries and responses for all topics except for NHPA, which has a placeholder. I haven't completed checking for consistency of all terms the team has identified (state vs. State, Corps vs. USACE, e.g.), but please know that we will address those with search/place global edits per a style sheet we have developed for consistency with previous documents.

Many thanks to the team for all the long hours and hard work on this.
